SUBJECT: Offer for ASC Monitoring System integration (ON11v2)

Dear Sirs,

We are glad to submit you with the requested offer for the integration of the ASC Monitoring systems in the Sultanate of Oman.

This budgetary offer includes the following:

1. Integration of the following ASC Monitoring systems to the trovicor Monitoring Center:
 - a. MoD PABX (Ministry of Defense with 2x 60 channels)
 - b. PDO (Petroleum company Oman with 2 x 30 channels)
 - c. 2x future ASC Monitoring systems (new Airport & University Muscat with each 2x 30 channels)
2. Integration services and project management

This budgetary offer is subject to the proviso that all required export licenses have been granted and that there are no other impediments arising from German or other export regulation authorities.

This offer is based on CIP Muscat, stated at EURO and remains valid until 15.08.2010. Please note that the offer does not include any taxes, especially no Omani withholding tax.
