<b>Description:</b>	<b>Investment</b>

The BC *Passenger Transportation Act* requires a person to obtain a passenger transportation licence from the BC Passenger Transportation Board to provide taxi or intercity bus services in BC. The Board may approve an application for a licence if the Board considers that

The Board has the power to impose terms and conditions on a licence. If the licence is to include an authorization to operate motor vehicles as intercity buses, terms and conditions include routes and minimum route frequencies for that operation. If the licence is to include an authorization to operate motor vehicles as passenger directed vehicles (such as taxis and limousines), terms and conditions include fleet size, rates and geographic operating area.
