

Participants:

Art. 4(1) (b) (Microsoft)

Art. 4(1) (b) (DG Trade B1)

The meeting took place at the request of Microsoft, to discuss the state of play of the WTO e-commerce negotiations and other digital trade related issues.

Microsoft expressed strong support for the WTO negotiations and underlined the importance of the EU and the US working together to find solutions for key digital trade issues.

As regards free trade agreements, Microsoft considered that there should be more focus on artificial intelligence, including access to data and the interoperability of regulatory frameworks.
