**Title:** Report of call with DigitalEurope - 8 July

**Participants:** Art. 4(1) (b)  
(DIGITALEUROPE)

**European Commission:** Cabinet Hogan, DG Trade B2.

The introductory call took place at the request of DigitalEurope.

DigitalEurope expressed their support for the WTO e-commerce negotiations and for the digital trade chapters in the EU's FTA negotiations. They underlined that their main priorities were the moratorium on customs duties, the expansion of ITA/ITA2 and ambitious provisions on data flows and data localization requirements. DigitalEurope confirmed that they would respond to the Trade Policy Review public consultation document.
